Classic Car Cruises and Shows

Travel to distant Shows and Conventions

Gain Technical Assistance & Information

Sell and Swap Parts

Receive Email Newsletters and Updates

Camaro or Firebird Ownership is not Required!
Membership includes all family members and Camaros

Camaro Enthusiasts join the Lehigh Valley Camaro Club for many reasons. If you have recently bought your first Classic Camaro or Firebird, you may have questions about where to find the parts you need, or which shows are most appropriate for your type of F-body. If you have a newer or brand new Camaro, you may be looking for a way to meet other Camaro owners, to discuss performance improvements and styling updates. Still others may be looking to join a club in order to fulfill insurance discount requirements.

As time moves on, however; longtime members ultimately look to the club for fun and friendship. It's about being with people who have the same interests...friends who love Camaros as much as you do. It's about a commonality, whether at a car show, a cruise, or just getting together and going out to dinner. Your Camaro "Comrades" will always be here.

The Lehigh Valley Camaro Club was formed in the spring of 1990. It is incorporated in the state of Pennsylvania as a not for profit corporation . Many of our members have been with the club for fifteen plus years, but new members are ALWAYS welcome. A good number of our members have two or more Camaros...from SS's, Z/28's , IROC & IROC Z's,. We have several members with Pace Cars, Limited Editions, and Special Editions, as well as straight and V-6's, RS's , convertibles. coupes, and T-Tops.

Each year, we hold several special club events. These include attending a few regional shows, cruises, and the Camaro Nationals, We volunteer to park the Chevrolet Class on Sunday at Das Awkscht Fescht, and we typically put together a fall foliage run and a Christmas Party.

Whether your Camaro or Firebird serves as your everyday transportation, a work in progress, or a show car, whether it is totally original, modified, or customized....or even just a dream,

COME ON OUT AND JOIN YOUR FRIENDS!
